*Homework #06*

1. Read Chapter 4 in the text.

2. Do Problems: 4.1, 4.2, 4.11, 4.23, 4.25 and 4.14 and 4.15
   (the complete data set can be found on the Canvas site
   under CH03PR03.txt data).

3. Redo Problem 4 in Homework 03, but now assuming that
   $\beta_0 \equiv c$ for some known constant $c$.
